

Progress Evaluation 4

Team Members

Alijawaad Dewji – adewji@fit.edu
Joshua Weil – jweil@fit.edu
Mohammed Alzahrani – malzahra@fit.edu
Sultan Almotairi – salmotai@fit.edu

Faculty Sponsor – Philip J. Bernhard - pbernhar@cs.fit.edu

Progress of current Milestone (*Milestone 4*)

Task	Completion	Alijawaad	Josh	Mohammed	Sultan	To do:
CSS for User Front Ends	100%	30%	70%	0%	0%	None
Complete Prescription Functions	90%	30%	10%	30%	30%	Need to build in error checking to functions
Communications for Patient Prescriptions	100%	20%	0%	50%	30%	None

Description on Each Task (*Milestone 4*)

1.) Built Cascading Style Sheets to display the user Front Ends which includes options to change icons based on user type, change colors of active tabs, give a full menu structure to the user and display information across different browsers.

2.) We are able to write new prescriptions, our team came up with a 5 step easy to follow process to write prescriptions.

First the doctor chooses a patient from a patient search

Second the doctor chooses a medication to prescribe from a prescription search

Third the doctor chooses which pharmacy to send the prescription to.

Fourth the doctor fills in prescription details, refill info, and start and end dates.

Finally the doctor verifies all the information and confirms the prescription.

3.) After a prescription is confirmed by the doctor in the previous task an email confirmation is sent to the patient through their verified email address that they used to register.

Plan for next Milestone (Milestone 5)

Task	Alijawaad	Josh	Mohammed	Sultan
Poster	10%	70%	10%	10%
Electronic Medical Record Functions	25%	25%	25%	25%
Fix Registration Bugs	50%	0%	50%	0%
Test Prescription Functions and fix any bugs that may be found.	10%	0%	10%	80%

Sponsor Feedback on Each Task (Milestone 4)

1.)

2.)

3.)

"I have discussed this evaluation with the team."
